

SunTrust 3.2 FNM File Upload

Efficiency Update

We venture to have a faster and more efficient process for our clients, we ask that you join in our effort to reduce processing times by uploading the 3.2 fnm file for every loan.

LendingSpace Portal Data Entry Process For The 3.2 FNM File Upload

- From the LendingSpace Portal select Create Loan.
- To upload the 3.2 fnm file, select File Upload.
- Choose your 3.2 file in the Select File to Submit field and select Import Loan.
- After successfully importing the 3.2 file select OK in the pop-up box.

For questions, please contact your SunTrust Client Relations team by dialing 1-800-382-2111 and select option 1.

Take a step toward financial confidence. Join the movement at onUp.com.
